

2007 Estate Cuvée Pinot Noir

Momtazi Vineyard, McMinnville A.V.A.

Retail Price: \$32

TASTING NOTES

The 2007 Estate Cuvée sets a classic tone with its passionate garnet red hue. The bouquet is an experience of floral expression as well as red cherries and fresh raspberries accompanied by an immense layer of spices ranging from nutmeg to white-pepper on the finish. While approachable now, the acidity within this wine will reward one's cellar for years to come. Enjoy!

WINEMAKER'S COMMENTS -&- FRUIT SOURCE

The 2007 Estate Cuvée Pinot Noir marks our first Demeter Certified Biodynamic® wine. The fruit for this year's Estate Cuvée was harvested September 28 through October 12, 2007. The 2007 Estate Cuvée is a blend representing a colonial selection of Momtazi Vineyard. The Pommard-clone Pinot Noir was hand selected exclusively from the oldest block of our estate, planted at one of our lower elevations. It is matched well with the more vibrant Dijon clones 113, 114, 115, and 777 found in our upper estate. These predominately 10-year old vines are planted on basalt-based marine sedimentary and volcanic soils, some of the oldest to be found in Oregon.

Following harvest, 100% of the fruit was de-stemmed and cold soaked for several days. Fermentation was completed with indigenes yeast from each individual block on the Momtazi Estate. There is 30% new French oak in the Estate Cuvée.
