barrels.

Vineyard Source: The 5.2 acre Prosperity block of
27 year old vines planted on sedimentary soils
cresting the top of the rolling hills of vineyard at
an elevation of 500 feet.

Recommended Food Pairings: Steak, steak and
more steak. This wine begs to be paired with a
hearty cut of prime rib or a nice juicy filet
mignon. Its cherry and spice flavors will also
accompany any chocolate lover's dessert choice.

WINEMAKER'S NOTES:

The 2007 Prosperity Pinot Noir is made from the hand-picked grapes in our 27 year old Pommard Pinot Noir block of vineyard. The wine is characterized by its rich ruby color coupled with a bouquet that has aromas of dark berries. Fruit forward raspberry flavors mingle with dark cherries for a silky soft mouth-feel. A surprising touch of sweetness drifts gracefully off the tongue at the finish. The Prosperity Pinot Noir continues its string of excellent wines.

VINTAGE NOTES:

The 2007 growing season was progressing beautifully and was on course to compare with 2006's perfect conditions until right at the end when the rains came a tad early. Not being able to ripen the fruit to exactly the perfect stage has made the 2007 a winemakers vintage; one in which the magic for this vintage will be produced by the expertise of the winemaker as compared to the 2006 growing season which was considered a vintners vintage. We know of no better medium that can capture the different nuances of each and every growing season as can a fine bottle of Namasté Vineyards wine.
